

# ClubGRANTS - WILLOUGHBY AREA

## PRIORITY AREAS

**The following priority areas are based upon the findings of Social Planning for the Willoughby Local Government Area. Programs and projects MUST be either based in and/or delivered within the Willoughby area. Out of area applications will not be considered.**

**Priorities for ClubGRANTS Category One funding for 2024 are:**

- Projects that promote access and equity.
- Projects that assist people identified as being at significant disadvantage.
- Services that target young people, particularly accommodation, counselling, and support services for youth at risk.
- Respite care services/carers support, for children, people with a disability and the aged.
- Child care services, particularly those that cater for children with special needs.
- Home support services for the frail aged and people with a disability.
- Services that promote physical activity and/or healthy lifestyles.
- Crime prevention/Community safety projects (includes domestic violence).
- Employment and training opportunities for disadvantaged people.
- Projects that promote cultural awareness and community development/inclusion.
- Services that assist people/families address addiction-related problems (e.g. alcohol and other drugs, gambling).
- Services that promote volunteerism and/or support volunteers.
- Health promotion services and activities - particularly mental health services.
- Family services, particularly those that offer counselling and family support.
- Services that support our Indigenous population.
- Programs that promote social inclusion particularly targeting isolated communities
- Programs that develop community resilience particularly those that focus on preparing for future stresses and shocks

\* The term "disadvantaged" when used in the context of determining priority funding, means "any individual or group who are less able to achieve the quality of life normally expected by the general populous because of physical, cultural, social or economic circumstances".
