

Letter to Self

Paul McDonald

4th October – 22nd October 2023

Art Space on The Concourse

If you had the opportunity, what would you tell your younger self? In this exhibition, Paul McDonald has collaborated with each participant to create portraits and tell their stories. The portraits are accompanied by their words.

The artist's process includes dialogue, collaboration and walking within the natural environment. The works created through this process include a series of landscapes in response to the conversations with participants and the artist's own lived experiences.
