Youth-led

Willoughby City Council Partnerships

In collaboration, we can better support young people. We're inviting youth-led club leaders to connect with us if they're interested in creating better local youth community events and opportunities for support and social connection.

Some ways we can help:

- We can offer financial support
- Free venue hire (Library, Chatswood Youth Centre, The Concourse Outdoor space)
- Promotion on our social network and mailing lists to local youth sector and parents
- Offer students 50% subsidised employment skills-based courses like RSA, first-aid and barista experience
- Offer student's GLP project hours and PACE work placement opportunities
- Fund community youth training workshops.
- Join Willoughby Youth Action Group to create tangible change working on community youth-led events for 12-24 years for Youth Week, Mental Health Awareness Month and school holiday programs

WE'D LOVE TO HEAR FROM YOU!

If you have an event in mind and interested in discussing how we can support you, connect with us via email: youth@willoughby.nsw.gov.au
