Governance

- Willoughby City Council has been approved as a provider of an Education and Care Service under the Education and Care Services National Regulation.
- Each approved service has a Nominated Supervisor appointed by Council and approved as a suitably fit and qualified person to be in charge of the daily operations of a service by the Department of Education. Nominated Supervisors will be offered and required to accept this nomination at time of employment in writing.
- Other qualified staff may be appointed from time to time to be the 'Responsible Person' on duty when the Nominated Supervisor is absent from the service. Council

has developed a process to ensure staff members placed in the position of 'Responsible Person' are aware of their duties and responsibilities. Staff who are deemed by council to be capable of being placed in the position of 'Responsible Person' accept this responsibility in writing.

- All services will display information for families, community members and authorised officers indicating the person in charge of the service at any one time.

Determining the Responsible Person at a Service:

- Where the Nominated Supervisor is present he/she will automatically be designated as the person responsible for the service at the given time that he/she is on the premises.
- Where the Nominated Supervisor is not on the premises the service will display in the designated area the name of the staff member who is the 'Responsible Person' at that particular time.
- The staff sign in and out book will serve as a formal record of which staff member was the 'Responsible Person' on any given day.

Development and Implementation of Policies

Willoughby City Council will develop and keep up to date policies as required under the Education and Care Service National Regulations and Privacy and Personal Information Protection Act 1998. These policies will be reviewed and where deemed appropriate provided to staff, families and nominated stakeholders for consultation.

Children's services staff and educators will undergo an induction process on commencement of employment that will provide them with opportunities to read and understand all policies and procedures to ensure commitment and compliance.

Where there is a required amendment to Council's pricing policy or policy required under the National Regulations that may significantly affect the childcare fees or the manner in which the fees are collected, or the service is operated, Council will provide all families and key stakeholders of the service with at least 14 days' notice.
