### ***COUNCIL POLICY***

#### **Objectives**

The objectives of Willoughby City Council in banning smoking in various Council areas is to:

- Improve the health of community members;
- Improve public amenity and maintenance of Council property;
- Raise community awareness of the issues associated with smoking;
- Provide community leadership in taking measures to protect the health and social wellbeing of the community; and
- Minimise cigarette butt pollution on Council-owned beaches, waterways, parks and other open space areas.

#### **Principles**

This policy recognises that Council has:

- An obligation to promote public healthy outcomes where Council provides assets and services intended to be of benefit to children and other members of the community;
- A commitment to improve the natural environment and the amenity of the local area by reducing the amount of cigarette butt litter found in outdoor spaces;
- An understanding that the damaging effects of passive smoking, while well documented in regard to indoor areas, is also beginning to emerge in regard to outdoor areas; and
- An acknowledgement that the indirect effects of people smoking in an outdoor area can result in children playing with and swallowing discarded cigarette butts; cigarette-derived particles accumulating on clothing and skin; and smoking causing sensory irritations such as eye watering, coughing, difficulty in breathing or asthma.

## **Legislation**

Under the NSW Local Government Act 1993 Council has the power to:

- Erect suitably worded and strategically placed notices in “public places” (such places including but not limited to public reserves, Crown reserves, public bathing reserves, public baths, public swimming pools, public parks and public roads) within the local government of Willoughby City prohibiting smoking (see, relevantly, s.632 (1) and (2) (e) of the Act);
- Serve, by means of an authorised person, a penalty notice (Penalty: \$110.00) upon any person who fails to comply with the terms of any such notice (see, relevantly, s.679 of the Act and cl.5-7 of, and Schedule 1, to the General Regulation);
- Demand, by means of an authorised person, the name and address of any person reasonably suspected of failing to comply with the terms of any such notice (see, relevantly, s.680 of the Act);
- Remove, by means of an authorised person, from community land any person who fails to comply with the terms of any such notice (see, relevantly, s.681 of the Act); and
