Detail of Policy

Short Title Transport Arrangements

Division Community Services

Category Community

File No

Date adopted by Council 26 May 2003
(Ratified 10.6.08)

COUNCIL POLICY

That for all Council events and activities:

1. access arrangements for people with disabilities be considered a priority
2. transport arrangements to and from events are made so as to favour use of transport modes other than the private motor car
3. wherever appropriate, a statement with relevant details regarding access and addressing the above, be provided on all publicity and promotional materials.
