

**PROPOSED WORKS**

- ① Install new timber edging between footpath and garden bed. Provide vehicular access to the upper courts by adjusting the retaining wall and removing garden bed.
- ② Trim overhanging branches.
- ③ Replace pavers with permeable paving. Remove bin. Replace bench seats with seats with backs. Install ramp for transition.
- ④ Remove trip hazards.
- ⑤ Linemark car park for 25 car spaces (min. 2.4 x 5.4m) and 1 accessible space with shared space and bollard (currently 24 spaces). Relocate pram ramp.
- ⑥ Remove concrete slab. Install new diagonal concrete path to follow desire line. Extend path to connect stairs to the existing path.
- ⑦ Replace stairs with terraced sitting walls. Realign and replace footpath. Install roll kerb for maintenance access to courts.
- ⑧ Level out and returf the lawn area.
- ⑨ Stabilise bank between courts and path. Clear out drain. Install a new footpath from Hampden Rd to Girl Guide Hall. Create a small mound between footpath and 20 Hampden Rd.
- ⑩ Install floodlights to lower courts. Hours restricted to 9pm.
- ⑪ Monitor and investigate remedial works to retaining wall. Plant out garden bed.
- ⑫ Provide solar light poles along main pathways in the park area.
- ⑬ Amend the wording and date on the park name sign from 1920 to 1917.
- ⑭ A separate consultation will be undertaken prior to the playground renewal in 2023.

**LEGEND:**

-  New floodlights
-  New footpath
-  Permeable paving

**CLELAND PARK, ARTARMON**

**LANDSCAPE IMPROVEMENTS PLAN**

DATE: AUGUST 2020 SCALE - 1:400 @ A3

The Landscape Improvement Plan will guide the improvement works for Cleland Park and ensure the park meets the current and future needs of the community. Park improvement works were undertaken in 2008 and the playground is due for renewal in 2023. This plan addresses the other landscape areas of the site.
