Formed or grassed area	\$110.00	\$11.00	\$121.00

FOOTPATH CROSSINGS

Note: For excavation on vehicular crossing, full panel of the crossing shall be used for the purpose of calculating the restoration charge.

Cost reduction are offered on the basis of the volume of work to be undertaken at one specific location, ie one street address

For large area restorations cost may be reduce as follow:

>50m² = 10%

>100m² = 20%

>500m² = Quote: based on direct contract cost plus

- a 10% Administration fee

- a 25% Ongoing maintenance cost

After completion of post work restorations by the applicant/ or utility authorises conforming to council satisfaction. Council will carry out final surface restorations. However, utility authorities (those are exempted under the legislation) may choose to carry out their own restorations subject to council approval. A formal proposal/submission is required for council consideration and approval.

Concrete residential driveway (125mm) (per sq.m)	\$323.64	\$32.36	\$356.00
