#### POLICY

1. That the income derived from commercial bus shelters be totally directed towards the development and construction of a distinctive Willoughby City Council Bus Shelter to be placed in residential areas.
2. That no bus shelter containing advertisements is to be placed in residential or heritage conservation areas or other areas as designated in the Draft Consolidating Plan.
3. That notification is to be given to residents in the immediate vicinity prior to the installation of any bus shelters in a residential area.
4. That Council requests that the commercial bus shelter supplier to remove the Willoughby City name and logo from all its bus shelters in the City.
