

# WHERE I WOULD RATHER BE

REBECCA BARTOS

22 August – 19 October 2022

## Blend Café Art Space

This exhibition explores the various places I would like to have visited and revisit but due to the restrictions of Covid, was not allowed. This gave me a longing for these places. I wanted to capture them, to see them and to make them present in my current reality of isolation. Where I can once again indulge in the memories of a life we once lived.
