

JAN CRISTAUDO ABSTRACT PAINTINGS

21st October – 8th November 2020

Incinerator Art Space

As this exhibition has been created during a year of much uncertainty, I have reflected on past and present travels throughout our amazing outback, taking my inner self back to special places that have spoken to me. Places of calm and visual beauty that really feeds the one's soul. There is no specific title for this exhibition. It is just me and my paintings.
