CITY STRATEGY OUTCOME:	5.1 – BE HONEST, TRANSPARENT AND ACCOUNTABLE IN ALL THAT WE DO
MEETING DATE:	2 AUGUST 2021

1. PURPOSE OF REPORT

To elect a Councillor to the position of Deputy Mayor for the period until the next local government election.

2. OFFICER'S RECOMMENDATION

That Council determine to elect by open ballot, a Councillor to the position of Deputy Mayor from 5 September 2021, until the next local council elections for NSW.

3. BACKGROUND

On 14 September 2020, Council elected Councillor Campbell to the position of Deputy Mayor. Council were advised that the term for this position was to end on the 4 September 2021, being the date of the local government election.

In July 2021, Council received notification that all NSW council elections have been postponed to 4 December 2021. As the current Council term has been extended, this report seeks consideration of the election of a Councillor to the position of Deputy Mayor.

4. DISCUSSION

Section 231 of the *Local Government Act 1993* advises that Councillors may elect a person from among their number to the position of Deputy Mayor. The Deputy Mayor may exercise any function of the Mayor at the request of the Mayor, or if the Mayor is prevented by illness, absence, or otherwise, from exercising the function, or if there is a casual vacancy in the office of Mayor.

The process for the election of Deputy Mayor is stipulated in Schedule 7 of the *Local Government (General) Regulation 2005*. The Office of Local Government (OLG) has produced a fact sheet "*Election of Mayor and Deputy Mayor by Councillors*" which outlines the procedures to be observed, a copy is contained in **Attachment 2**.

A Councillor may be nominated, without notice for election as Deputy Mayor. The nomination, by two or more Councillors, must be in writing and the nominee must consent to the nomination in writing.

Schedule 7 of the *Local Government (General) Regulation 2005* prescribes three methods of election:

- Open ballot (e.g. a show of hands)
- Ordinary ballot
- Preferential ballot

In 2020, the OLG produced a circular which outlined procedures to be followed for elections being conducted at council meetings where participants were attending via an audio visual platform. The OLG has advised that these procedures are still applicable, a copy of the circular is contained in **Attachment 3**.

In brief, if a council is conducting its meeting via an audio visual platform, the election can only be held by open ballot. Ordinary and preferential ballots are secret ballots; Councillors will need to attend the meeting in person if the election is to be by either of these methods. This would require the election of a Deputy Mayor to be deferred to a time and date determined by Council to hold an in-person meeting.

If Council were to resolve to hold the election via a secret ballot, physical attendance would be permissible in accordance with Schedule 1 of the *Public Health (COVID-19 Temporary Movement and Gathering Restrictions) Order 2021*. Part 11 of Schedule 1 provides that leaving home for the purpose of undertaking any legal obligation is a reasonable excuse for a person to be away from the person's place of residence. Schedule 7 of the *Local Government (General) Regulation 2005* only contemplates a secret ballot to elect a Deputy Mayor being undertaken in person.

5. CONCLUSION

Councillors may elect a person from among their number to the position of Deputy Mayor. The procedures for the election are detailed in **Attachment 2**. Council must resolve the manner of election. If the election is to take place at the Council meeting of 2 August 2021, Council will need to resolve that the election be held by open ballot, as this meeting is to be held via audio visual links.

Fact Sheet

ELECTION OF MAYOR AND DEPUTY
MAYOR BY COUNCILLORS

Summary

Councillors must elect a mayor from among their number every two years unless they have a popularly elected mayor.

Councillors may also elect a deputy mayor. The deputy mayor may be elected for the mayoral term or a shorter term.

The election of the mayor and the deputy mayor must be conducted in accordance with clause 394 and Schedule 7 of the *Local Government (General) Regulation 2005* (the Regulation).

The purpose of this document is to assist councils to conduct mayoral and deputy mayoral elections in accordance with these requirements. It includes scripts for key activities to help returning officers exercise their functions. These scripts are provided in the text boxes inserted in the relevant parts of this document.

How can councils use this document?

Electing a mayor is an important activity. It is vital that the process is smooth, open and easy to follow and not rushed or confusing. Where necessary, it may be appropriate to stop and provide clarification for the benefit of councillors, staff or the gallery.

Returning officers can circulate this document prior to the meeting to help councillors understand the election process.

Election of a mayor after an ordinary election of councillors

An election for mayor must be held within three weeks of the declaration of the ordinary election at a meeting of the council.

The returning officer is to be the general manager or a person appointed by the general manager.

As no mayor or deputy mayor will be present at the start of the meeting, the first business of the meeting should be the election of a chairperson to preside at the meeting. Alternatively, the returning officer may assume the chair for the purpose of conducting the election.

Mid-term election of a mayor

A mayor elected by councillors holds office for two years. A mid-term mayoral election must be held in the September two years after the ordinary election of councillors or the first election of a new council following its establishment.

Procedures

Prior to the meeting

Before the council meeting at which the election is to be conducted, the returning officer will give notice of the election to the councillors.

The notice is to set out how a person may be nominated as a candidate for election as chairperson.

As returning officer, I now invite nominations for the position of mayor/deputy mayor for [name of council] for a two year period.

In accordance with the Local Government (General) Regulation 2005, two or more councillors may nominate a councillor (one of whom may be the nominee) for the position of mayor/deputy mayor. Nominations must be in writing and the nominee must consent to their nomination in writing.

A councillor may be nominated without notice for election as mayor or deputy mayor. The nomination is to be made in writing by two or more councillors (one of whom may be the nominee). The nomination is not valid unless the nominee has indicated consent to the nomination in writing.

The returning officer checks the nomination forms and writes the nominees' names on a candidates' sheet.

At the meeting

At the start of the first meeting after an ordinary election, in the absence of a chairperson, the returning officer assumes the chair and announces that the first item of business is to be the election of a mayor.

If a chairperson is present, they announce that the first item of business is the election of the mayor then vacates the chair for the returning officer who will then conduct the election.

The returning officer reads out the names of the nominees and seeks confirmation that the nominee has accepted the nomination.

If only one councillor has been nominated for the position of mayor/deputy mayor, the nominee is elected.

As there is only one nominee for the role of mayor/deputy mayor, I declare that [name of successful candidate] is elected as mayor/deputy mayor for the ensuing two years.

If more than one candidate has been nominated, the council must determine by resolution, the method of voting for the position of mayor/deputy mayor, by way of one of the following methods:

- Open voting – i.e. by show of hands
- Ordinary ballot – i.e. a secret ballot (place an "X" against the candidate of their choice)
- Preferential ballot – i.e. place 1, 2, 3 etc. against each candidate.

The returning officer must ask for a motion to be put to the meeting by one of the councillors on the preferred method of voting for the election of a chairperson. This must then be seconded and voted on by the councillors.

Note: In the event of a tie, if there is a chairperson, they may use their casting vote. If there is a tie and no chairperson, an election for the role of chairperson should be conducted. Then the election for mayor resumes.

Open voting (show of hands)

Open voting is the most transparent method of voting. It is also the least bureaucratic method and reflects normal council voting methods.

The returning officer will advise the meeting of the method of voting and explains the process.

It has been resolved that the method of voting for the position of mayor/deputy mayor will be by show of hands.

Each councillor is entitled to vote for only one candidate in each round of voting.

I will now write each candidate's name on a slip of paper and deposit it in a barrel. The first name out of the barrel will be written first on the tally sheet, with second name out being written second on the tally sheet, etc.

When all candidates' names have been written on the tally sheet, the returning officer announces the names of the candidates and, commencing with the first candidate, states the following:

Would those councillors voting for [name of candidate] please raise your hand.

The returning officer records the number of votes for each successive candidate on the tally sheet and announces the number of votes received for each candidate.

The minute taker records the vote of each councillor.

The returning officer should check with the minute taker that each councillor has voted. If a councillor has not voted it should be confirmed that they are abstaining (an informal vote).

Two candidates

If there are only two candidates for the position of mayor/deputy mayor and the voting is higher for one candidate than another (number of formal votes recorded on the tally sheet), the returning officer then announces the result.

[Name of candidate] has the higher number of formal votes and as a result I declare that [name of candidate] is elected as mayor/deputy mayor for the ensuing two years.

In the event of a **tied vote**, the returning officer will advise the meeting of the following process.

In accordance with clause 12 of Schedule 7 of the Local Government (General) Regulation 2005, I will now write the

names of the candidates on similar slips of paper, fold them and place them in the barrel. Please note that the candidate whose name is drawn out will be declared as mayor/deputy mayor.

It is appropriate to show the meeting the names and the barrel. Councillors may inspect but not touch the items.

The returning officer places the names of the candidates into the barrel and requests a staff member to shake the barrel.

The returning officer then draws a name out of the barrel and shows the meeting.

I declare that [name of candidate] is elected as mayor/deputy mayor for the ensuing two years.

The returning officer then draws out the remaining name and reads it for completeness. The second name should be shown to the meeting.

Three or more candidates

If there are three or more candidates, the candidate with the lowest number of votes for the position of mayor/deputy mayor is excluded.

[Name of candidate], having the lowest number of votes, is excluded.

The voting continues as above until there are only two candidates remaining (see voting for **two candidates** above).

In the event that the **lowest number of votes are tied**, the returning officer advises the meeting of the following process:

In accordance with clause 12 of Schedule 7 of the Local Government (General) Regulation 2005, I will now write the names of the candidates on similar slips of paper, fold them and place them in the barrel. Please note that the candidate whose name is drawn out will be excluded.

It is appropriate to show the meeting the names and the barrel. Councillors may inspect but not touch the items.

The returning officer places the names of the candidates into the barrel and requests a staff member to shake the barrel.

The returning officer then draws a name out of the barrel and shows it to the meeting.

I declare that [name of candidate] is excluded.

The returning officer then draws out the remaining name and reads it for completeness. The second name should be shown to the meeting.

Ordinary ballot – (secret ballot)

The returning officer advises the meeting of the method of voting and explains the process.

It has been resolved that the method for voting for the position of mayor/deputy mayor will be by ordinary ballot, in other words by placing an "X" against the candidate of the councillor's choice.

The returning officer announces the names of the candidates for mayor/deputy mayor and writes each name on a slip of paper and deposits it in a barrel.

The returning officer requests that a staff member shakes the barrel and advises that the order in which the names will appear on the ballot paper will be determined by a draw out of the barrel, i.e. first name out of the barrel is written first on the ballot papers and so on.

It will be necessary to have a number of blank papers as this process may require more than one round of voting.

The returning officer writes the names on one set of the ballot papers and initials the front of each ballot paper.

A staff member distributes the ballot papers and collects them into the ballot box when completed and gives it to the returning officer who counts the votes and records them on the tally sheet.

The returning officer announces the results.

[Name of candidate], having the lowest number of votes, is excluded.

In the event that the **lowest number of votes are tied**, the returning officer advises the meeting of the following process:

In accordance with clause 12 of Schedule 7 of the Local Government (General) Regulation 2005, I will now write the names of the candidates on similar slips of paper, fold them and place them in the barrel. Please note that the candidate whose name is drawn out will be excluded.

It is appropriate to show the meeting the names and the barrel. Councillors may inspect but not touch the items.

The returning officer places the names of the candidates into the barrel and requests a staff member to shake the barrel.

The returning officer then draws a name out of the barrel and shows it to the meeting.

I declare that [name of candidate] is excluded.

The returning officer then draws out the remaining name and reads it for completeness. The second name should be shown to the meeting.

The returning officer writes the names of the remaining candidates on a further set of the ballot papers and initials the front of each ballot paper.

The staff member distributes ballot papers listing the remaining candidates and collects them into the ballot box when completed and gives it to the returning officer who again counts the votes and records them on the tally sheet and announces the results.

The process continues until two candidates remain, where a final vote takes place.

[Name of candidate] has the higher number of votes and I declare that [name of candidate] is elected as mayor/deputy mayor for the ensuing two years.

In the event of a **tied vote** between the two remaining candidates, the returning officer makes the following statement and announces the process.

The votes are tied between [name of candidate 1] and [name of candidate 2] having received [number] votes each, and, in accordance with clause 12 of Schedule 7 of the Local Government (General) Regulation 2005, I will now write the names of the candidates on similar slips of paper, fold them and place them in the barrel.

Please note that the candidate whose name is drawn out will be declared as mayor/deputy mayor.

It is appropriate to show the meeting the names and the barrel. Councillors may inspect but not touch the items.

The returning officer places the names of the candidates into the barrel and requests that a staff member shakes the barrel.

The returning officer then draws a name out of the barrel and shows the meeting.

I declare that [name of candidate] is elected as mayor/deputy mayor for the ensuing two years.

The returning officer then draws out the remaining name and reads it for completeness. The second name should be shown to the meeting.

Preferential ballot

The returning officer explains the process.

It has been resolved that the method for voting for the position of mayor/deputy mayor will be by preferential ballot, i.e. placing 1, 2 and so on against the candidate of the councillor's choice in order of preference for all candidates.

The returning officer announces the names of the candidates for mayor/deputy mayor and writes each candidate's name on a slip of paper and deposits it in a barrel.

The returning officer requests that a staff member shakes the barrel and advises that the order in which the names will appear on the ballot paper will be determined by a draw out of the barrel, i.e. first name out of the barrel is written first on the ballot papers and so on.

The returning officer writes the names on the ballot papers and initials the front of each ballot paper. This method of voting requires only one set of ballot papers.

A staff member distributes the ballot papers and collects them when completed and gives them to the returning officer who counts the first preference votes and records them on the tally sheet.

If a candidate has an absolute majority of first preference votes (more than half), the returning officer declares the outcome.

[Name of candidate], having an absolute majority of first preference votes, is elected as mayor/deputy mayor for the ensuing two years.

If no candidate has the absolute majority of first preference votes, the returning officer excludes the candidate with the lowest number of first preference votes.

[Name of candidate], having the lowest number of first preference votes, is excluded.

The preferences from the excluded candidate are distributed. This process continues until one candidate has received an absolute majority of votes, at which time the returning officer announces the result.

[Name of candidate], having an absolute majority of votes, is elected as mayor/deputy mayor for the ensuing two years.

In the event of a **tied vote** where there are only two candidates remaining in the election, the returning officer explains the process.

The votes are tied between [name of candidate 1] and [name of candidate 2] having received [number] votes each, and, in accordance with clause 12 of Schedule 7 of the Local Government (General) Regulation 2005, I will now write the names of the candidates on similar slips of paper, fold them and place them in the barrel. Please note that the candidate whose name is drawn out will be declared as mayor/deputy mayor.

It is appropriate to show the meeting the names and the barrel. Councillors may inspect but not touch the items.

The returning officer places the names of the candidates into the barrel and requests a staff member to shake the barrel. The returning officer then draws a name out of the barrel and shows the meeting.

I declare that [name of candidate] is elected as mayor/deputy mayor for the ensuing two years.

The returning officer then draws out the remaining name and reads it for completeness. The second name should be shown to the meeting.

In the event that the **lowest number of votes are tied** and where there are three or more candidates remaining in the election, the returning officer advises the meeting of the process.

In accordance with clause 12 of Schedule 7 of the Local Government (General) Regulation 2005, I will now write the names of the candidates on similar slips of paper, fold them and place them in the barrel. Please note that the candidate whose name is drawn out will be excluded and their preferences distributed.

It is appropriate to show the meeting the names and the barrel. Councillors may inspect but not touch the items.

The returning officer places the names of the candidates into the barrel and requests that a staff member shakes the barrel.

The returning officer then draws a name out of the barrel and shows the meeting.

I declare that [name of candidate] is excluded and any votes cast for them will be distributed by preference.

The returning officer then draws out the remaining name and reads it for completeness. The second name should be shown to the meeting.

Schedule 7 - Election of Mayor by Councillors

Part 1 Preliminary

1 Returning officer

The general manager (or a person appointed by the general manager) is the returning officer.

2 Nomination

- (1) A councillor may be nominated without notice for election as mayor or deputy mayor
- (2) The nomination is to be made in writing by 2 or more councillors (one of whom may be the nominee). The nomination is not valid unless the nominee has indicated consent to the nomination in writing.

- (4) In this clause:
ballot has its normal meaning of secret ballot.
open voting means voting by a show of hands or similar means.

Part 2 Ordinary ballot or open voting

4 Application of Part

This Part applies if the election proceeds by ordinary ballot or by open voting.

5 Marking of ballot-papers

- (1) If the election proceeds by ordinary ballot, the returning officer is to decide the manner in which votes are to be marked on the ballot-papers.
- (2) The formality of a ballot-paper under this Part must be determined in accordance with clause 345 (1) (b) and (c) and (6) of this Regulation as if it were a ballot-paper referred to in that clause.
- (3) An informal ballot-paper must be rejected at the count.

6 Count—2 candidates

- (1) If there are only 2 candidates, the candidate with the higher number of votes is elected.
- (2) If there are only 2 candidates and they are tied, the one elected is to be chosen by lot.

7 Count—3 or more candidates

- (2) If 3 or more candidates then remain, a further vote is to be taken of those candidates and the one with the lowest number of votes from that further vote is to be excluded.
- (3) If, after that, 3 or more candidates still remain, the procedure set out in subclause (2) is to be repeated until only 2 candidates remain.
- (4) A further vote is to be taken of the 2 remaining candidates.
- (5) Clause 6 of this Schedule then applies to the determination of the election as if the 2 remaining candidates had been the only candidates.
- (6) If at any stage during a count under subclause (1) or (2), 2 or more candidates are tied on the lowest number of votes, the one excluded is to be chosen by lot.

Part 3 Preferential ballot

8 Application of Part

This Part applies if the election proceeds by preferential ballot.

9 Ballot-papers and voting

- (1) The ballot-papers are to contain the names of all the candidates. The Councillors are to mark their votes by placing the numbers "1", "2" and so on against the various names so as to indicate the order of their preference for all the candidates.
- (2) The formality of a ballot-paper under this Part is to be determined in accordance with clause 345 (1) (b) and (c) and (5) of this Regulation as if it were a ballot-paper referred to in that clause.
- (3) An informal ballot-paper must be rejected at the count.

10 Count

- (1) If a candidate has an absolute majority of first preference votes, that candidate is elected.
- (2) If not, the candidate with the lowest number of first preference votes is excluded and the votes on the unexhausted ballot-papers counted to him or her are transferred to the candidates with second preferences on those ballot-papers.
- (3) A candidate who then has an absolute majority of votes is elected, but, if no candidate then has an absolute majority of votes, the process of excluding the candidate who has the lowest number of votes and counting each of his or her unexhausted ballot-papers to the candidates remaining in the election next in order of the voter's preference is repeated until one candidate has received an absolute majority of votes. That candidate is elected.
- (4) In this clause, "**absolute majority**", in relation to votes, means a number that is more than one-half of the number of unexhausted formal ballot-papers.

11 Tied candidates

- (1) If, on any count of votes, there are 2 candidates in, or remaining in, the election and the numbers of votes cast for the 2 candidates are equal—the candidate whose name is first chosen by lot is taken to have received an absolute majority of votes and is therefore taken to be elected.
- (2) If, on any count of votes, there are 3 or more candidates in, or remaining in, the election and the numbers of votes cast for 2 or more candidates are equal and those candidates are the ones with the lowest number of votes on the count of the votes—the candidate whose name is first chosen by lot is taken to have the lowest number of votes and is therefore excluded.

Part 4 General

12 Choosing by lot

To choose a candidate by lot, the names of the candidates who have equal numbers of votes are written on similar slips of paper by the returning officer, the slips are folded by the returning officer so as to prevent the names being seen, the slips are mixed and one is drawn at random by the returning officer and the candidate whose name is on the drawn slip is chosen.

13 Result

The result of the election (including the name of the candidate elected as mayor or deputy mayor) is:

- a) to be declared to councillors at the council meeting at which the election is held by the returning officer, and

September 2020 mayoral elections

What's new or changing

- Councils that elected mayors in September 2018 must have mayoral elections in September 2020 when the 2-year term of the current mayor expires. The mayor elected in September 2020 will hold their office until ordinary elections are held on 4 September 2021.
- Councils must also hold an election for deputy mayor if the deputy mayor's term has expired and county councils must elect a chairperson.

What this will mean for your council

- Schedule 7 of the *Local Government (General) Regulation 2005* prescribes three methods of election of mayors:
 - open ballot (eg a show of hands)
 - ordinary ballot, or
 - preferential ballot.
- Open ballots can be undertaken remotely where a council is conducting its meetings by audio visual link.
- Ordinary and preferential ballots are secret ballots and councillors will need to attend the meeting in person if the election is to be by way of an ordinary or preferential ballot.

Key points

- In deciding which method to use for the mayoral election, councils should consider the personal circumstances of their councillors to ensure that all councillors can participate in the mayoral election.
- Councillors may attend council meetings in person under the *Public Health (COVID-19 Restrictions on Gathering and Movement) Order (No 4) 2020* for the purposes of participating in a mayoral election and staff may attend for the purposes of conducting the election.
- Councils should observe appropriate social distancing when conducting mayoral elections and take any other steps necessary to minimise the risk of infection by the COVID-19 virus and to ensure the health and safety of all attendees.
